

**Auditors' review report on the interim condensed consolidated financial statements**  
(Translation from the original Italian text)

To the Shareholders of  
Datalogic S.p.A.

1. We have reviewed the interim condensed consolidated financial statements, comprising the statement of financial position, the statements of income, the statement of comprehensive income, the statement of changes in equity and cash flows and the related explanatory notes, of Datalogic S.p.A. and its subsidiaries (the "Datalogic Group") as of June 30, 2010. Management of Datalogic S.p.A. is responsible for the preparation of the interim condensed consolidated financial statements in conformity with the International Financial Reporting Standards applicable to interim financial reporting (IAS 34) as adopted by the European Union. Our responsibility is to issue this review report based on our review.
2. We conducted our review in accordance with review standards recommended by Consob (the Italian Stock Exchange Regulatory Agency) in its Resolution no. 10867 of July 31, 1997. Our review consisted mainly of obtaining information on the accounts included in the interim condensed consolidated financial statements and the consistency of the accounting principles applied, through discussions with management, and of applying analytical procedures to the financial data presented in these consolidated financial statements. Our review did not include the application of audit procedures such as tests of compliance and substantive procedures on assets and liabilities and was substantially less in scope than an audit conducted in accordance with generally accepted auditing standards. Accordingly, we do not express an audit opinion on the interim condensed consolidated financial statements as we expressed on the annual consolidated financial statements.

The consolidated financial statements of the prior year and the interim condensed consolidated financial statements of the corresponding period of the prior year have been, respectively, audited and reviewed by other auditors. Accordingly, reference should be made to the reports of the other auditors issued on April 9, 2010 and on August 7, 2009, respectively.

3. Based on our review, nothing has come to our attention that causes us to believe that the interim condensed consolidated financial statements of Datalogic Group as of June 30, 2010 are not prepared, in all material respects, in conformity with the International Financial Reporting Standards applicable to interim financial reporting (IAS 34) as adopted by the European Union.
